

Fishing Creek Players will present its production of Hans Christian Anderson's "The Snow Queen" at N4Cs on March 23 (7PM), 24 (7PM), and 25 (2PM). The Snow Queen was not satisfied with her power to bring freezing ice and wind, spread cold and prolong winter. Her greed for more threatened the whole world—she had to be stopped! Only the most innocent dared challenge her.

Watch this fairy tale, adapted by M.R. Daniels, unfold at the Community Center. It boasts a huge cast of kids and adults and a budget-blowing assembly of special effects and costumes. The audience will laugh, scream, cry and rejoice (although possibly not in that order).

Tickets are \$10 at the door; \$5 for children under 12.
